

Dear Parents,

We are excited to announce our upcoming school blood drive! Donating blood is a simple, yet powerful way to save lives and teach our children the importance of giving back to the community. Your generosity will make a difference to patients in the local hospitals that we serve.

Each child that recruits **at least one blood donor** (donor must donate) will receive a **child's size t-shirt** and will be invited to our **ice cream party!**
